

### **Purpose of Parish Deacons:**

- To ensure, promote, and model ministry to those in need: to the sick, to the friendless, and to any who may be in any distress.
  
- To develop the grace of liberality in our body and devise effective means of distributing resources to meet needs (primarily through fellowship groups in specific neighborhoods).
  
- To ensure and promote hospitality when we gather for worship, fellowship or ministry in our homes, our neighborhoods, or our primary worship locations.
  
- To help steward our resources (buildings, assets, finances, etc.) to the glory of God.
