

## What NSF Deacons Do

Enjoy & Embody Jesus by:

1. Setting an example of stewardship & sacrifice of **our** time, talent and treasure.
2. Partnering with **parish elders** & **area pastor** to minister to one another & our parish.
3. Discovering needs primarily through regular communication & participation with **fellowship groups**.
4. Connecting & equipping others to meet needs in our **parishes**.
5. Ensuring & promoting hospitality when we gather for **fellowship** or **worship**.
6. Gathering for monthly **meetings** to pray, share, encourage one another & steward our resources.
